# The Path to Life and National Blessing

## VOTING AND POLICY INTEGRITY CHECKLIST

- ☐ Is it moral? (*As defined by God. The 10 Commandments*)
- ☐ Is it constitutional? (*As defined by the nation's constitution*)
- ☐ Does it preserve individual freedom vs. strengthening government control?
- ☐ Does it strengthen and/or preserve the traditional family? (*Male and female marriage, children*)
- ☐ Is it in the best interest of the general public vs. a special interest?
- ☐ Is it necessary law or policy?
- ☐ Should it be done on the federal level vs. state or local?
- ☐ Is this an efficient and effective way to do it?
- ☐ Do we have the money to pay for it?

This checklist was developed and successfully used by Hon. Sam Rohrer during his 20 years in government. It was then adopted by many God-fearing legislators who used it as a standard against which “Yes” or “No” votes were debated and cast. These questions come from Biblical principles and represent choices no person can avoid. They mirror God’s unconditional promise to Israel, as recorded in the Old Testament book of Deuteronomy, which links national blessing to the people and those in office who “Fear God and keep His commandments”.

people rejoice, but when the wicked  
bear rule, the people mourn.*

death, blessing and cursing: Therefore, choose  
life that you and your seed may live.”*
